

Sales

- We coordinate the marketing for sale horses with advertising in all media plus sales lists & presentations at shows.
- We help clients find their new prospects through evaluations of video/ dvd and on site ranch visits.

Stallions

- We offer the services of stallion collection, artificial insemination and semen analysis.
- We coordinate the timely shipping of transported semen.
- We advertise the stallions in show program ads, banners & presentations.

We always encourage interested parties to visit the stallions for a private viewing at the ranch or shows.

"I have been a client, partner and friend of Jesse's for 15 years, and it has been a rewarding relationship. Jesse has trained halter, performance and pleasure horses for me and they all have excelled at whatever was asked of them. All I can say is it's been a great ride."

-Roberta Dixon

Amateur Program

- Our Amateurs are always active participants in the showing of their horses, in both halter & performance
- We encourage them to have fun and to reach their fullest potential. Jesse works closely with the amateur & horse to form a true relationship.

Halter and Performance Training

Training Services

Jesse specializes in the halter, western and hunter disciplines. We strive to provide the best possible results with the best interest of the horse and owner always as the top priority.

- Additional services include:
- Assisting amateurs and clients select the proper horse for their desired discipline.
- Evaluations of new prospects for purchase
- Marketing and selling of horses for clients
- Lessons for beginners, intermediates and advanced riders
- Group clinics and seminars in performance and halter

The stress-free, tranquil setting is a wonderful environment for horses to learn.

Facility

My training center is a full service Arabian horse facility located in Sonoma County on a picturesque knoll near Santa Rosa, California, right off Highway 101. The property is dotted with beautiful oak trees and provides a tranquil setting for horses and my family.

The facility includes a large covered arena for training, conditioning and lessons; 3 barns contain a total of 30 stalls that are surrounded by turn out pastures.

Included on the property is a 3 stall barn with paddocks and a bullpen for starting youngsters. Horses receive daily grooming & baths after training & exercise sessions.

Welcome
to Jesse Saldana Training Center!
