

In loving memory of Mark of Shai+//

March 30, 1995 – September 18, 2016

To my beautiful horse in heaven, to my best friend who was a listener, partner and team mate,

How do I start to thank you for so many blessings you brought to my life? You made me the horseman I am today! Thank you for all the wonderful rides and always giving me your very best, even in times when you did not feel one hundred percent. Thank you for always trusting me, and never questioning what I asked of you. Thank you for all the quiet times we had when no one else was around.

Until we meet again my dear friend.....

Roberta,

Thank you for sharing your boy with us, for entrusting him to my care always, even when so many wanted him in their own care. We grieve with you as we loved him deeply and completely as well. He will be truly missed, but we are so thankful for all of the wonderful memories we shared with him. These we will keep safely tucked in our hearts.

Jesse and Juana Saldana

ONLY THE BEST

***God saw you and you were getting tired
And a cure was not to be.
So He put His arms around you,
And He whispered, "Come to me".
A golden heart stopped beating,
Hark working hooves went to rest.
God broke our hearts to prove to us
He only takes the best.***
